

How to get to local supermarkets and restaurants

Leaving Casa Bianca, make a right turn and keep going (2.5 miles) till you reach the main road (N115). At the traffic lights, here take a right turn and keep going in the direction of Caldas da Rainha. On the way, you will pass through 2 roundabouts. When you approach the 3rd roundabout take a left turn direction obidos and just 200m ahead take a left again and you have reached **INTERMARCHÉ supermarket** (open 7 days a week). For other supermarkets in Caldas da Rainha, follow the purple line on the map to 2 supermarkets Minipreco (Small) & E Leclerc (Large).

For good **restaurants** we recommend that you go to **Obidos** town (8 miles) where you will find an array of fine restaurants with English menus serving international cuisine. Please book in advance if you can as it can get busy in the evenings.

Sabores da Aldeia, marked on the map to the top of the page, is the closest restaurant to Casa Bianca (2.5 miles) serving mainly Portuguese cuisine, but their English is limited so you will need your phrase book. They are now translating their menu into English. The food is really good here so try it.

The 'Getting There' document you already have describes the location of Café Central, bank etc. According to the map, if you turn left, after 300 metres you will find Café Central on your left. At Café Central, if you turn left again heading towards Caldas da Rainha, after 100 meters, you will see the little Mini Mercado on your left.
